

Identity Documents

Candidates coming to interviews at Auckland DHB will have been asked to bring with them two forms of identity (one primary and one secondary from below options lists). One must include a photo of the candidate. When reviewing identity documents Hiring Managers need to take a copy of both forms of ID. This is additional to copying a person's Right to Work in NZ and practise in their field (Annual Practising Certificate).

It is most common for candidate to use passports and driver licenses for identity documentation. If other documents are presented and you are not sure of their validity, take a copy anyway and we will ensure identity is properly verified.
